Melissa –

I made some slides to show the requested revisions to the wetlands website to add the **Redwood City Salt Plant Clean Water Act Jurisdictional Review**.

Slide 1 – current status of webpage (<http://www.epa.gov/region9/water/wetlands/index.html>)

Slide 2 – revisions to current page – adding a box on right side between National Links and Featured Content

Slide 3 – New webpage to host: Redwood City Salt Plant Clean Water Act Jurisdictional Review (desk statement and March 18th letter at this time).

Please let me know if you are ok with this approach. If you sign off, will push it to Jason, Nancy Woo and Jane to review.

Thanks. Kate
